

Household Hazardous Waste (HHW) Collection Pre-Registration Form

For residents of Amherst, Pelham, Shutesbury, & Leverett

Collection Date: Saturday, April 22, 2006 from 9 am to 12:00 pm
Amherst Transfer Station & Recycling Ctr., Route 9, Amherst, MA

This form is for use by residents only. Businesses and Institutions may call the Amherst Department of Public Works at 259-3050 Ext. 0 to schedule an appointment or to obtain information about participating in the HHW collection.

Dispose of your household hazardous wastes safely! Residents of Amherst, Pelham, Shutesbury & Leverett, may participate. Sign up today for your HHW Day appointment.

No more than 25 gallons or 25 lbs. (whichever is greater) will be collected per household.

Used motor oil, car batteries, fluorescent bulbs (\$1 each), & rechargeable batteries are NOT counted toward this limit. Amherst, Pelham, & Shutesbury residents with valid vehicle stickers may bring these items to the Transfer Station on Tuesdays, Thursdays and Saturdays, 8 AM to 2 PM.

Help a neighbor! You may bring HHW items for your neighbors in the four towns. Please list participants' names and addresses on the pre-registration form below.

Regarding Oil and Latex Paint and Paint Products:

- ♦ Small quantities of latex paint can be safely disposed of in household refuse by letting it air dry in a safe place, OR mixing an absorbent material, such as kitty litter or speedy-dri to absorb the liquid portion of the paint. Once the latex paint is solid, it can be safely disposed of in the trash. Notify your trash hauler if you will be disposing of dried paint in this manner.
- ♦ **Up to 10 gallons of oil and latex paints and paint thinners can be brought to the transfer station any Tuesday, Thursday or Saturday 8AM- 2PM starting April 22, 2006 thru October 7, 2006.**
- ♦ **Quantities over 10 gallons will be accepted by appointment: please call 259-3050 X-0**
- ♦ **The fee for all paint is \$2.00 per equivalent gallon. Small fee for clean, scraped gallon-sized paint cans.**
